Waiver of Claim

By accepting, I, intending to be legally bound, for myself, my heirs, next of kin, executors and administrators, voluntarily assume all risk of injury and release and forever discharge, indemnify and hold harmless all staff, committee, volunteers and sponsors (collectively the "released parties"), from any and all liability for personal injury or property damage of any kind sustained during the this cornhole tournament whether such personal injury or property damage is caused by gross negligence or carelessness of the released parties. I have full knowledge of the risks involved and attest that I am physically fit and sufficiently trained to participate in an athletic event. I grant permission to all foregoing to use any photographs, motion pictures, recordings, or any other record of this event for any legal purpose. I give my permission to the related parties the use of my picture in promotional material of media which also include the web. **By checking this box, my team accepts these terms and conditions**

Policies /Guidelines

1. All participants/teams must be properly registered, and agree to the **Rules of the game** to participate. No exceptions.
2. Participants may play on one team only. No alternate may be used once the tournament has begun.
3. Layout of court and position of boards shall be at the discretion of the management, and accepted as such by the participants.
4. Number of accepted teams will be limited. Committee reserves the right to reject any entry/application.
5. This is a double elimination tournament. Each team's starting placement into the tournament bracket will be drawn at random.

Rules of the Game

Two (2) person teams, or partners, shall play. Partners shall stand at opposite cornhole boxes on the same side, and face each other, allowing each team with one partner throwing from the left pitcher's box and one throwing from the right so there is no advantage given to one team. This tournament will not stop any game "early" based on lopsided scoring (also known as a skunk game.)

1. Each cornhole team shall have 4 bags of one color. All 8 cornhole bags begin at one end.
2. Rock/Paper/Scissors shall determine which cornhole team has honors in round one.
3. One of the partners on the team who has honors shall begin play by throwing a cornhole bag at the opposite cornhole box.
4. A cornhole player may throw from anywhere behind the front of the cornhole box they are throwing from.
5. Game continues by alternating throws between the two opponent players until all 8 cornhole bags have been thrown.
6. If a cornhole bag hits the ground then bounces up onto the board, that bag shall be taken off the playing surface.
7. The next round starts when the other cornhole player on the team, which has honors, throws their first cornhole bag. Honors of throwing first in a round, goes to the team who scored the most points from the previous round.
8. The cornhole game ends when one team reaches or exceeds 21 points. In the event of a tie, the game continues until one team outscores the other.

Scoring:

The score shall be taken after all cornhole bags have been thrown for a round. Points shall be given as follows.

3 points for a cornhole bag that goes through the hole. 1 point for a cornhole bag that is on the playing surface. 1 point for a cornhole bag that is hanging into the hole. 1 point for a cornhole bag that is hanging off the edge but not touching the ground. 0 points for a throw determined to be a foot fault 0 points when a bag is thrown out of turn. Remove the bag if it landed on the board surface.	0 points for a cornhole bag that is on the playing surface, but is also touching the ground. 0 points for a cornhole bag that is hanging off the front edge and is resting on a cornhole bag that is on the ground. If you can remove the bag on the ground without the one on the board falling then a point is given. 0 points for a cornhole bag that hits the ground first then bounces onto the board. Remove that bag for it does not count.
----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------	----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------

The cornhole team with the highest round score subtracts the opposing team's round score and adds the difference of these two scores to their game score. The cornhole team who wins the round is given honors to throw first in the next round. If both cornhole teams have the same round score then the game score stays the same and pitching honors stays with the team who had it the previous round.
